

**Lahainaluna High School PTSA
Donation Request/Teacher Wishlist**

Aloha Lahainaluna High School staff!

The Lahainaluna PTSA knows that our public schools are under-funded. We also understand the critical role our schools play in creating a better community. To this end, while the PTSA's budget is limited this year, we really would like to make a difference in our school. Please use this form to request a "realistic" donation from your PTSA. We will compile these requests, prioritize them and provide help wherever possible. (Note that we will not honor requests for furniture or field trips.) Requests for donations for this school year must be received by October 31st and priority will be given to those teachers who support the PTSA through membership. You can return your request(s) to Ryan Granillo's mailbox or send them to Ryan using Lotus Notes. We sincerely appreciate all that you do!
